### Looking for New Members!!!

It is a new year, and we are looking to encourage your family and friends to become members of the Kolping Society in Cincinnati. The Membership Committee is organizing a New Member Initiation Meeting on Monday, April 20<sup>th</sup> at 7pm. If you know someone who might be interested in becoming a member, encourage them to check out the website at:

<https://www.kolpingcincinnati.com/Membership.html> or, feel free to reach out to us at [membership@kolpingcincinnati.com](mailto:membership@kolpingcincinnati.com) or 513-543-8651 (Wendy Moeller). Prospective members now only have to attend one initiation meeting after application to become full Society members, which also includes membership in the National and International Kolping Society. Any applicant who applies and pays the required dues up front is considered a "Probationary Member" and may participate in all activities, including Schützen Club; they just cannot vote in any upcoming elections until participating in an initiation meeting and becoming full-fledged members.

For the April 20<sup>th</sup> Initiation Meeting, we invite all of our current members to attend to enjoy some time together and to welcome our newest members into the Society.

## A Note from Our Vice President

All,

To those of you who have responded to the Kolping Survey, I thank you! The responses are finally starting to trickle in, so I would like to extend the due date to April 30<sup>th</sup>. Please remember that this is YOUR club and your chance to help us make it better for all.

I would also like to thank all those who made it to the Kolping Royal Ball. A great time was had by all. I would also like to thank all those who understand that family is very important and brought their children so that they could share in the Gemütlichkeit. I counted fourteen kids, not to mention multiple teenagers who were thoroughly enjoying themselves. Let's keep this up for every event, as this is our future.

Don't forget to make your reservations for the St. Joseph's Day Mass & Awards Banquet on April 12<sup>th</sup>! More information can be found on page 9.

Lastly, please know that you can contact me anytime about anything and I will do my best to help. I would like to wish everyone Frohe Ostern!

Chuck Klosterman,  
Vice President  
Cincinnati Kolping

## A Note from Fr. Dan, Our Praeses

The Catholic Church and our Kolping Society have been on a Lenten journey towards Easter. This is the season when we remember the One who "humbled himself and became obedient unto death, even death on a cross" (*Phil 2:8*).

During next week, Holy Week, I urge all our members to renew their faith, by drawing from the "living water" of Baptism we have received through the grace of God. Christ sacrificed his life for us and for all the world. We are called to teach our children, grandchildren, and future generations by the lives we lead and by the example we give.

Plan to take family time for God. Pray at home as a family, pray together at church, take part in Kolping events and programs that serve others.

Fr. Dan Kroger, OFM

## Wedding Anniversary Mass Celebration

Please mark your calendars for June 7<sup>th</sup>, as we will be honoring our members who are celebrating a significant wedding anniversary this year! Our celebration will begin with Mass at 11:00 A.M., followed by a delicious homemade brunch where we can all come together and share in the joy of this special occasion.

If you or someone you know is celebrating a milestone anniversary this year, we'd love to recognize you at this event. Please reach out to Barb Hessler at: [BHessler129@gmail.com](mailto:BHessler129@gmail.com) or 513-520-8664 so that we can make sure to include you in the festivities.

Keep an eye out for more details in the May *Bulletin*. We look forward to coming together as a community to celebrate these meaningful milestones!

## Women's Klub News

Members of the Women's Klub met on February 21<sup>st</sup> to make seven blankets, which were donated to the Linus Foundation. This foundation collects and distributes blankets to children in hospitals and unfortunate situations. The members are considering holding this event twice a year and donating the blankets to various charitable organizations. This is certainly an event that is in the true spirit of Blessed Adolph Kolping.

## Sängerchor News

## A Great Time Was Had by All at the Royal Ball!

The Royal Ball on Saturday evening, March 21<sup>st</sup>, was a rousing success! We would like to thank everyone who came out for the revelry to support the Society and the King and Queen. We would especially like to thank Sylvia Ostendorf-Smith for chairing the Ball and helping it to run smoothly, to King Neil and Queen Kelly and their court for the lovely decorations and for representing the Society so well, to the Tuesday Workers and Shooting Club members for helping with setup, to Paul Ahrnsen, the emcee, and to all of the many volunteers it takes to run such an event. The food was delicious and The Bergstrasse Boys kept the crowd entertained all night long!

Below is a photo of members of the Bier Choir belting out one of their tunes with fellow Bier Choir member, King Neil, during one of the band breaks at the Royal Ball.

## Kolping Genealogy

On Sunday, April 19 at 2:00 P.M., you can learn about how to manage those old family photos that are an important part of our genealogical family tree. They provide a look back in time of family members and your connection with them. Sometimes we know the people in these old photographs are family but may not necessarily know everyone in the photograph. Using these photographs for genealogy begins with collecting them and then organizing them based upon the information currently known about the people in the photographs and associated facts. Digitizing these photographs allows for management of the photographs and their subsequent use in your family tree.

As part of the organization process, David Lahrman will review the types of family facts to be collected. The tools for digitization of these photographs will be reviewed, as well as how these tools are used for viewing and identifying the details in the photographs to support their documentation and further research.

He will show a process to manage documenting the relevant details in these digitized photos like tagging family members you know are family. This documentation will help with eventually identifying unknown people, dates and places. A few examples will be provided for demonstration.

While it can be a tedious and time-consuming process, it is well worth the effort invested. It includes collecting as many family photographs as possible, digitizing them so that you can study them on the computer screen, and reviewing them against other photos and documents that have been collected.

It is also important to give your family members a copy of your digitized and documented photographs, as they may provide additional photographs not in your collection.

The meeting will be “hybrid”, being held live in the Kolping Cincinnati Klubhaus and online via Zoom. Email [genealogy@kolpingcincinnati.org](mailto:genealogy@kolpingcincinnati.org) to acquire the Zoom link and reserve a spot. We look forward to seeing you.

Dr. Tom Montgomery,  
[genealogy@kolpingcincinnati.org](mailto:genealogy@kolpingcincinnati.org)

*Always check the Kolping website for any updates or schedule changes.*
